Subject:- Implementation of New Pension Scheme- Contribution to NPS out of DA arrears

It has been brought to the notice of Finance Department that while releasing arrears on account of DA instalments notified by the Government from time to time, Drawing & Disbursing Officers have not deducted 10% of it on monthly computation basis which is compulsory being a component of salary qualifying for such deduction. This has resulted in corresponding loss equal to its matching share due from the State Government in favour of such employees whose services are governed by defined contributory pension scheme.

In order to arrest such omissions in future, I am directed to request DG A&T to direct all the Treasury Officers that while entertaining the bills on account of DA arrears, and (or) arrears of salary, if any, it shall be ensured that deduction or account of NPS is effected in the same manner as is provided under clause II of rule 4 in schedule XXIII of J&K CSR Vol. II.
