Dated 09-4-2012.

**Subject :—Conversion of Cost of Living Allowance (COLA) into
Dearness Allowance.**

Sir,

The erstwhile Government Lumber Undertaking (GLU) employees working in the State Forest Corporation (SFC) are entitled to the pensionary benefits under the State after the retirement. But it has come to the notice of Finance Department that while issuing LPCs in favour of these (GLU) employees, the SFC has not mentioned the component of COLA in their LPCs as the Corporation has not been in a position to release all the notified COLA installments to the employees due to their limited resource position, thus, the DCRG of these employees has been authorized by the Accountant General taking into account their basic pay only, excluding the COLA.

In this connection, the undersigned is directed to request the Principal Accountant General, J&K to take into account the COLA equivalent to the admissible rate of DA while authorizing DCRG in respect eligible GLU Employees irrespective of the fact that any of the COLA installment might have yet to be released by the SFC in their favour.

Yours faithfully,

Subject :—Implementation of VR/GH Schemes in favour of surplus staff/un-viable units in State PSUs.

In order to rejuvenate the State Public sector undertakings, a committee was constituted vide Government order No. 1355-GAD of 2006 dated 07-11-2006 to make recommendations for the rationalization of surplus staff in sick units, having some prospects of becoming viable and the closure of unviable units in the Public Sector undertakings by offering a Golden Handshake or Voluntary Retirement Scheme to such employees. The recommendations of the said committee were implemented in favour of the employees of the State PSUs vide Government Order No. 218-F of 2007 dated 16-7-2007. The PSUs were bound to implement the GHS/VRS in the true spirit to shed the surplus staff and place the units on the road to recovery within a couple of years. But, unfortunately, this has not happened and the process is still persisting.

It has come to the notice of the Finance Department that the PSUs are retaining surplus staff as close to their date of retirement as possible. On the other hand, instances have also been noticed, wherein the employees brought under GHS, have sought judicial intervention, because of which the PSUs are having to pay idle wages and the GHS package, which is higher in comparison to normal retiral outgo, is being given to such petitioners at the eleventh hour just before their retirement.

Therefore, in order to arrest such tendencies, the Managing Directors of all State PSUs are advised to withhold the implementation of the Golden Handshake Scheme in favour of such employees, who have challenged the GHS till the final outcome of the cases in court. When any such employee reaches the age of superannuation during the interim, he shall be treated as retired in the normal course.

It is also enjoined upon the competent authorities in the State PSUs and the respective administrative departments of the PSUs to hold prior consultations with the Finance Department before sanctioning the
